

## Lesson Plan Library

The Lesson Plan Library has a new search interface and contains more than 200 lessons designed for use with Discovery Education *unitedstreaming* videos.

Access the Lesson Plan Library from anywhere on the site by clicking on the Teacher Center link in the navigation bar at the top of the screen. Click on a subject area to view lesson plans that contain descriptions and indications regarding the recommended grade ranges.

Lesson plans can be viewed or saved in PDF or *Microsoft Word* format. To save a lesson plan, click on the appropriate format and select "Save." Navigate to the desired location. You can change the name of the lesson, but keep the ".pdf" or ".doc" file extension.
