

## My Homepage

You can now design a customized Discovery Education *unitedstreaming* homepage to view new content updates and weekly teacher tips. Simply click on the “Preferences” link in the navigation bar at the top of the screen and select the “My Home Page” tab. You control the content you wish to view. Select calendar listings and featured videos, receive updates as new videos are added to the site, learn which videos receive the most views and draw inspiration from regular teaching tips.

Make sure to check the box “Use My Home Page as my default home page for *unitedstreaming*” and your customized home page will be displayed each time you log in to the site.
